Hi! This is a friendly reminder that your Klarna invoice for your purchase at bol.com (€ 124,99) is due soon. You have 4 days left to pay. If you can't pay the full amount right now, you can split it into 3 parts in the Klarna app, or extend the due date by 14 days for free. After the due date we charge € 7,50 reminder fee and may forward your debt to a collection agency, which adds significant extra cost.
